HOME SCHOOL STUDENTS: Students who are currently home schooled and take classes at TKA are required to pay a one time \$50.00 Application fee, \$225 Registration fee, prorated Curriculum Activity fee **or** the entire Curriculum Activity fee. The Curriculum Activity fee may be prorated based on the number of classes a student is enrolled.
Tuition is as follows: 7th-8th is \$1048.00 per class and 9th-12th is \$1092.00 per class. The SCISA requirement of four core classes plus TKA's requirement of Bible are necessary in order to participate in SCISA sports and meets.

TUITION DISCOUNTS: There is a tuition discount for families with multiple children enrolled at TKA. After the first two full tuitions, the third child receives a 50 % discount, the fourth child receives a 75% discount and the 5th child attends free. Discounts apply to students' tuition in the order of oldest to youngest. Children of pastors who are actively employed in a church receive a 10% discount.

FINANCIAL AID: TKA desires to offer financial aid to families who demonstrate need. In order to be considered for assistance, you must submit an application *each academic year*. Applications are available in the Admissions Office or on our website. Parents may turn in a Financial Aid Application along with your Student Application and Registration Fee. Applications for financial aid will only be considered if the student has made application to TKA and paid the Registration Fee and C/A Tech Deposit. Completed applications must be turned in to the Admissions Office by March 15, 2010. The Scholarship Committee will meet in April 2010 to distribute financial aid. Upon notification of monies received, you will be asked to pay the non-refundable C/A Balance by June 1, 2010. Parents are responsible for all fees. Scholarship money is applied to tuition only. Initial distribution of scholarship funds will be according to the March deadline. Any additional applicants will be considered as funds become available from April until July.
