Special Requirements for Drama Productions:

Because of the difficulty of making last-minute changes in a drama production, there will be some special requirements for participating in plays, musicals, or any other activity where late changes are very difficult.

Requirements:

1. Students must not have any grades below a C.
2. Grades will be checked at a predetermined date when there is still time to find a replacement.
3. If the student is ineligible at that point, they may not participate in this activity.
4. If a student's grade drops to an "F" at any time after the date when grades are checked, they will be allowed to continue in that production. However, they will not be eligible to participate in the next production.
5. Special circumstances may be reviewed by the administration. Students whose grades are borderline, may be required to have a tutor.
