HOMESCHOOL STUDENTS: Students who are currently home schooled and take classes at TKA as a part time student are required to pay a \$50.00 application fee. This fee is transferable if the student enrolls as full time at a later date. Cost per class is based on current school year's tuition for grade student is enrolled and the number of classes enrolled. The curriculum and activity fee** is optional for 6th –12th, but is available for students who have applied and are enrolled in at least one class. Sports and SCISA meets require enrollment in four classes. Please refer to the back of this sheet for information on the curriculum and activity fee.

TUITION DISCOUNTS: There is a tuition discount for families with multiple children enrolled at TKA. After the first two full tuitions, the third child receives a 50 % discount, the fourth child receives a 75% discount and the 5th child attends free. Discounts apply to students' tuition in the order of oldest to youngest. Children of pastors who are actively employed in a church receive a 10% discount.

FINANCIAL AID: TKA offers financial aid to families who demonstrate need as long as funds are available. In order to be considered for assistance, you must submit an application *each academic year*. Applications are available in the admissions office or on our website. You may turn in a Financial Aid Application along with your Returning Student Application and \$200.00 registration fee in January. Applications for financial aid will only be considered if the student has made application to TKA and paid the registration fee. Completed applications must be turned in to the admissions office by March 30, 2008. The Scholarship Committee will meet in April, 2008 to distribute financial aid. Upon notification of monies received, you will be asked to pay the non-refundable Curriculum/Activity (C/A) fee deposit (\$250) by April 16th. The C/A balance will be due by May 15th. Parents are responsible for all fees. Scholarship money is applied to tuition only.
