- The professional educational ministers at TKA are distinguished by their commitment to Christ, their academic excellence, and their dedication to providing a Christ-centered education to every student.
- Teaching at TKA is viewed as a ministry as well as a profession.

A current listing of the Board of Trustees, Administration, Leadership Team, Faculty and Staff are available on our website: www.TKAflorence.com.

Philosophy of Education

"The fear of the Lord is the beginning of wisdom and knowledge of the Holy One is understanding."

Proverbs 1:7

- The King's Academy exists as an extension of the Christian home, serving to augment and support parents/guardians in the Christian instruction of their children. Parents/Guardians are regarded as the God-ordained authority over the child, ultimately responsible for training the child in the Lord.
- TKA's curriculum is not designed to replace the teaching of the church or the parent/guardian but to bring children closer to Jesus Christ within their academic environment.
- TKA will maintain high academic and spiritual standards in every area of instruction.
- TKA believes each child has unique mental, physical, and spiritual abilities. These characteristics need to be acknowledged in the classroom, and every student should be challenged to maximize his/her abilities.
- TKA will offer the finest curriculum to students, and all instruction will be aligned with Biblical principles. The Bible will serve as the final authority concerning all questions concerning spiritual training, academic teaching, and character training at TKA. The Word of God is acknowledged as the only absolute, infallible truth. Integration of the Word of God will result in students viewing the world from a Christian perspective.
- TKA believes that the call of God is upon the hearts and lives of each student at TKA. It is the goal, therefore, of TKA to help prepare students for that call and for a life of service to God and His Kingdom.
- Christian education is not simply a curriculum; it is the implementation of the understanding that all of life for a Christian is sacred. Academic training, then, is more than a mental activity. It is spiritual. It is the formal study of creation, one part of coming to a full knowledge of the Creator.

Purpose and Objectives

- TKA will promote each child's spiritual, academic, social, moral, and physical development through an educational experience in which the Lordship of Jesus Christ and the authority of the Bible are applied to all areas of curriculum.
- TKA will teach students that God loves them and wants them to be saved, desiring that they experience a personal relationship with Jesus Christ and leading by the Holy Spirit.
- TKA will teach the Bible as God's inspired Word.
- TKA will provide opportunities for children to accept Jesus Christ personally, to know the power of the Holy Spirit, and to prepare them to share Jesus with others.

- TKA will provide a Christian school where Jesus Christ is pre-eminent in all our relationships; and where His Word is the standard for our curriculum and teaching methods.
- TKA will provide an environment which stresses that all believers are part of the Body of Christ and should treat each other as such.
- TKA will enlighten the minds of students to the absolute truth of the Word of God in all areas of learning.
- TKA will provide an academic environment that embraces the student's total development, individual needs, and particular learning style.
- TKA will equip students with the knowledge necessary to develop Christian character.
- TKA will provide an environment that equips children to take personal responsibility for individual learning and cooperative endeavors.
- TKA will help students, who are created in God's image, develop their fullest capabilities as contributing and responsible members of society, treating others with love and respect regardless of the circumstances.
- TKA will equip students with the knowledge necessary to defend and apply Christian principles in a secular society.

Statement of Faith

- We believe the Holy Scriptures are the Word of God written, which are contained in the sixty-six books of the Old and New Testaments. We believe that the Bible is God's infallible Word, written by men who were divinely and uniquely inspired by the Holy Spirit, and that it is our supreme authority in all matters of faith and practice. We affirm our belief in the verbal and plenary inspiration of the Scripture in their original autographs. In addition, we believe that the Old and New Testaments are a complete witness to God's redemption through the incarnation of Jesus Christ, who is the Living Word. The Holy Scriptures are authoritative for us; are the absolute of God's revelation of what we are to believe and how we are to live, and reveal all we need to know about God, all He requires of us and His will for the Church. We believe the Bible is the basis of all our teaching, ministering, and living.
- We believe God the Father is sovereign in creation, providence, and salvation. He is the Lord God Almighty, who in the beginning created all things from nothing. He simply spoke and it was. Because He is sovereign, He controls all of His creation. The crowning achievement of His creation was when He made man in His own image—a living soul, who is a spiritual being, housed in a human body. Man disobeyed God and sin came into the world. The perfect relationship between God and man was fractured. In His sovereignty, mercy, justice, and holiness, God made provision by paying the sin debt through His Son Jesus Christ to forgive man's sin, to heal the fractured relationship, and to restore man in His image. The Scripture refers to the fulfillment of God's provision of salvation as “being born again,” not of the flesh, but of the Spirit:
- We believe Jesus Christ is the second Person of the Godhead. He is the one and only, the only begotten, Son of God who was conceived by the Holy Spirit and was born of Mary, who was a virgin. He took upon Himself the form of a man. In His essence, He is fully and completely God and man at the same time. Through His death on the cross, He paid the debt for our sins, and through His bodily resurrection He made it possible for us to stand in the presence of God forgiven, justified, redeemed, and adopted into the family of God. Salvation is not based upon good works or merit but on the sacrificial death and atoning work of Jesus Christ that is received by faith alone. Jesus is the only way to salvation—there is salvation in no other person or system of belief. Through Him we are in the process of being sanctified as we grow to be more and more like Him.
- We believe the Holy Spirit is the third Person of the Godhead, who has come to glorify Jesus Christ. The Holy Spirit leads us into a saving relationship with God through Jesus Christ; He convicts us that we are sinners, and He applies the saving work of Jesus to our hearts and gives us faith to accept Jesus as our personal Savior and Lord. It is the Holy Spirit who empowers us to live as the people of God, to perform good works, and to be witnesses to His glory. The Holy Spirit leads us into sanctification. He does that as He produces the Fruit of the Spirit in our lives. Sanctification is never complete in this life; however, we are constantly growing toward its completion.

Statement on Marriage, Gender Identity, and Sexuality

- We believe that God wonderfully and immutably creates each person as male or female. These two distinct, complementary genders together reflect the image and nature of God. (Gen 1:26-27.) Rejection of one's biological sex is a rejection of the image of God within that person.
- We believe that the term "marriage" has only one meaning: the uniting of one man and one woman in a single, exclusive union, as delineated in Scripture. (Gen 2:18-25.) We believe that God intends sexual intimacy to occur only between a man and a woman who are married to each other. (1 Cor 6:18; 7:2-5; Heb 13:4.) We believe that God has commanded that no intimate sexual activity be engaged in outside of a marriage between a man and a woman.
- We believe that any form of sexual immorality (including adultery, fornication, homosexual behavior, bisexual conduct, bestiality, incest, and use of pornography) is sinful and offensive to God. (Matt 15:18-20; 1 Cor 6:9-10.)
- We believe that in order to preserve the function and integrity of The King's Academy (TKA) and to provide a biblical role model to the members of the TKA community, it is imperative that all persons employed by TKA in any capacity, or who serve as volunteers, agree to abide by this Statement on Marriage, Gender, and Sexuality. (Matt 5:16; Phil 2:14-16; 1 Thess. 5:22.)
- We further believe that in order to preserve the function and integrity of The King's Academy, that all families admitted to the school must agree to support and promote our position on marriage, gender identity, and sexuality. Students of accepted families must also support these standards.
- We believe that God offers redemption and restoration to all who confess and forsake their sin, seeking His mercy and forgiveness through Jesus Christ. (Acts 3:19-21; Rom 10:9-10; 1 Cor 6:9-11.)
- We believe that every person must be afforded compassion, love, kindness, respect, and dignity. (Mark 12:28-31; Luke 6:31.) Hateful and harassing behavior or attitudes directed toward any individual are to be repudiated and are not in accord with Scripture nor the doctrines of The King's Academy.

Nondiscrimination Statement

The King's Academy admits students of any race, color, national, and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. TKA does not discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, admission policies, scholarship programs, financial aid programs, and athletic and other school-administered programs.

Academic Standards

Curriculum Guides and Textbooks

- Textbooks and curriculum materials are selected to accomplish the goals of the school and to support a Christian philosophy of education. All instruction offered at TKA is based on sound Biblical principles. When using a secular resource or material that is not in line with Biblical principles, the teacher will present the Biblical viewpoint. The literal interpretation of the Bible serves as the final authority.
- Curriculum Guides/Maps include objectives for the material covered by the approved curriculum. The objectives and essential questions in the Curriculum Guides/Maps ensure students have been exposed to the information and skills needed to satisfactorily complete each grade.

Homework

- The majority of instruction and work will take place in the classroom under the teacher's direction. Homework will consist of assignments which extend instruction, preparing for tests and quizzes, and special projects and reports.
- Students are expected to do their own homework and class work.
- All MS/HS assignments will be posted on Renweb for parents and students to view.
- TKA encourages families to attend Wednesday night church services. Elementary school teachers take this into consideration, and parents/guardians will notice lighter homework on Wednesday nights.

Testing

- All applicants to kindergarten take a Kindergarten Readiness Test to determine acceptance into the TKA program.
- Students in 1st – 8th grades are evaluated each spring through standardized achievement/ability assessments.
- Scores for rising 7th, 8th and 9th graders are used to confirm class placements. Students in 8th - 11th grades will take standardized tests (PSAT) in preparation for the SAT/ACT tests.
- Results of testing are issued to parents/guardians.

Appearance Standards

- The appearance standards are the result of a collaborative effort of students, parents/guardians, faculty, and the Head of School. Our goal is to provide a dress code that honors Christ with modesty, neatness, and dress that is suitable for each occasion.
- It is expected that students exercise good judgment, under the supervision of their parent/guardian and in accordance with TKA dress code, in matters relating to individual dress. It is the student/parent's responsibility to follow the TKA dress code while on the TKA campus during school hours and for all after-school related events, which include field trips, athletic events, practices, 5th quarter, after-school or weekend school events, Attendance Recovery, ceremonies, etc. Every effort will be made to enforce the appearance code with consistency; however, the appearance standard remains constant whether or not previous infractions have been addressed.

Philosophy of Discipline

In Matthew 22, Jesus clearly summarized the expectations for how we are to live and treat others. He reduced the Law to, “Love God with all your heart, soul, and mind; and love your neighbor as yourself.” This can only be accomplished by the transformational work of the Holy Spirit in the lives of our students. The process of discipline is to lead our students in recognizing their sin, seeking forgiveness, and experiencing the joy of being restored as they discover their need for God’s transforming grace in their lives.

We recognize that the sinful heart is exposed by outward behavior. The process of discipline reveals the heart to point our students to Jesus and the grace He offers through forgiveness and victory over sin. The goal of discipline is not to be punitive, but restorative. Ultimately, we desire for each of our students to have a personal relationship with God through the atoning work of Jesus Christ and to learn how to grow and mature in His grace.

The policies and procedures of TKA are intended to build and instill responsibility enabling students to make wise decisions based on a Christian World and Life view. Additionally, these policies and procedures are intended to support the foundational principle that all teachers and students have the right to a safe environment that is conducive to learning. Students have the right to learn, and teachers have the right to teach.

Student Commitment to TKA Expectations

Students at TKA are expected to show a respect for God, the Christian teachings at TKA, others, and the property of others. Students are expected to refrain from drinking alcoholic beverages, using illegal drugs, smoking/vaping/JUULing, profanity, disrespect for authority or property, improper sexual behavior, and abuse of others. Disregard for these expectations will result in disciplinary action according to school policy, including possible suspension and expulsion. These expectations apply while on campus or off campus in school related activities. Student behavior outside of school hours and apart from school related activities (including posts on social media) that negatively impacts the school or members in the school community, may result in disciplinary action as well. All students enrolled at TKA have signed and committed to the above statement of expectations.

Communication in Discipline

It is important that parents, teachers, and staff members communicate and work together in the process of student discipline. Students involved in a disciplinary process will greatly benefit when the adults in their lives join hands to accomplish the goals set forth in this discipline policy and procedure. Communication is the key to that end.

Student Expectations/Students are expected to

- Show respect for faculty, staff, and fellow students.
- Cooperate with faculty and staff members placed in charge of their classroom, activity, or event on and off campus.
- Abide by classroom and school-wide rules.
- Respect the teachings of Scripture.
- Follow established procedures as communicated to them by the faculty and staff.
- Be prepared for class.
- Refrain from cheating and dishonest behavior.
- Refrain from illegal behavior.
- Act in accordance with TKA’s statement on marriage, gender identity, and sexuality.

Disciplinary Consequences

The classroom teacher has the right to provide consequences for most disciplinary situations but will refer students to an administrator for more severe violations of student conduct. Lesser infractions will be addressed with less severe consequences. Students and parents may be required to attend expulsion hearings for persistent misconduct after attempts to correct behavior by faculty and staff, issues compromising the emotional and physical safety of others, bringing weapons to school, bringing illegal drugs to school, ongoing defiance, and other more severe situations and actions. The following actions and consequences may be administered to students who violate the behavior expectations for TKA students.

1. Conference with student
2. Conference with student and parent
3. In School Detention
4. After School Detention (\$10 fine)
5. *In-School Suspension
6. Out-of-School Suspension
7. Expulsion Hearing (This could lead, but not in all cases, to the expulsion of a student.)

*NOTE: A fee equivalent to the cost to hire a substitute teacher will be charged to parents for these consequences.

Attending TKA is a privilege and the relationship between students and staff is based on trust. When that trust is broken, students will be confronted through an appropriate disciplinary process. Sin has its own built-in consequences, but at times, it is important for other consequences to be administered to attain the goals of the discipline process. The consequences listed above may be administered based on the severity, context, and motivation of the infraction. Students who persist in violating behavioral expectations or who make decisions jeopardizing the safety and welfare others, may lose their privilege of attending TKA through the expulsion process.

Bullying

TKA views all the following as forms of bullying if engaged in over a period of time. Repeated instances may be considered bullying. Isolated and infrequent instances of the following will be noted, and students and parents will be notified of the student's inappropriate behavior. However, more serious, and egregious incidences of any of the examples shown below, but not limited to these examples, will result in more serious consequences, including but not limited to suspension (2-5 days) or expulsion. In addition, loss of privileges such as athletics, NHS, Beta Club, class office, field trips, retreats, etc. may accompany the previously mentioned consequence(s). Each case will be dealt with on an individual basis.

- Pushing, shoving, punching, kicking, poking, hitting, tripping
- Intentional damage to another student's personal property or property on loan to the student from TKA
- Writing derogatory remarks about another student
- Attempting to get another student in trouble
- Threatening another student
- Using abusive or mocking language toward a student
- Demanding money from another student
- Demanding that another student act inappropriately toward authority
- Invasion of another student's privacy
- Encouraging another student to be uncooperative toward school staff
- Forcing another student to do or share their own schoolwork
- Mocking or imitating another student

- Drawing derogatory attention to another student’s physical characteristics, their ability, or their lack of ability
- Making derogatory remarks regarding a student’s parents, family, or home
- Using sexual orientation as a put down
- Ostracizing or attempting to ostracize another student(s)
- Blackmail
- Cyber bullying (on or off campus)

(Guidelines provided through The Department of Education)

Sexual Harassment

TKA desires to provide an environment where all students are free from sexual harassment from their peer group. This would include any such conduct on TKA property or during TKA activities away from the school. Peer sexual harassment is defined as any unwelcome physical contact or verbal communication of a sexual nature, such as touching or grabbing, or sexual comments, directed at a person because of his or her gender, which interferes with the ability of a student to receive an education.

Students are always expected to treat their fellow students with dignity and respect while on school property and during school programs and activities. Failure to meet expectations regarding standards for dignity and respect, bullying, and sexual harassment may result in more severe consequences dependent on the nature of the offense and at the discretion of the administrator dealing with each individual case.

Academic Integrity

Academic dishonesty includes, but is not limited to, cheating, plagiarism, collusion, or falsification of information. Plagiarism is defined as the appropriation of any other person’s work and the unacknowledged incorporation of that work in one’s own work offered for credit. Cheating is defined as the act of gaining or attempting to gain unfair advantage or assisting another in gaining or attempting to gain an unfair advantage; the act of receiving or giving information for a dishonest purpose. Some examples are:

Copying another person’s work (tests, quizzes, homework, workbooks, etc.) or allowing someone to copy your work.

Asking for or giving questions and/or answers to tests or quizzes.

Getting unauthorized information (i.e. books, notes, and electronic devices) during a test or quiz.

Turning in another’s work as your own.

Taking a test, including an AR test, on a book that has not been read. Taking a test, including AR test, based only on the movie.

Copying answers, telling another student an answer, receiving answers from another student and/or having another student take the test is considered cheating.

Students are expected to...

Complete all assignments and turn them in when due.

Complete their own work without assistance or help from others unless otherwise directed by a teacher. (i.e. group assignments, projects, etc.)

All papers will be examined on “Google Classroom” software to check for plagiarism. Students who plagiarize will be charged \$25 for one-on-one tutoring, during which time students will be instructed on using outside sources

without plagiarizing. Whenever cheating occurs, the student will receive a zero. The student will be given the opportunity to re-type the paper or re-take the test and both grades will be averaged together so that the maximum points the student can earn is 50 points.

Social Media

As with off campus behavior expectations, the intent of The King’s Academy is not to intentionally monitor student social media accounts. However, social media, at times, can interrupt the educational process. Because of this, TKA has chosen to adopt the following policies regarding social media:

Social media should not be accessed during school hours.

Social media that contains language or behavior of an inappropriate or a profane nature, that violates TKA dignity standards, or speaks disrespectfully or disparagingly of TKA faculty, staff, administration, standards or decisions may result in a more severe consequence and may even result in the expulsion of a student.

Social media that promotes the use of drugs or alcohol or that contains pornographic material or that makes a specific threat against TKA property, faculty, staff, administration, or students may result in parent contact, a more severe consequence, and may even result in the expulsion of a student.

Off Campus Student Behavior

The intent of The King’s Academy is not to monitor the behavior of students outside school hours and activities. This is the role of parents. However, students should be aware that they are always representatives of Jesus Christ and The King’s Academy. As covenant partners with parents, TKA faculty and staff members should feel free to inform parents of concerns about their students participating in unsafe, illegal, or immoral activities outside of school. If the ripple effect of any of these activities impact the classroom or school environment, TKA will take disciplinary action. Some examples of these behaviors would include:

Consuming alcoholic beverages

Using tobacco products including vaping products

Using illegal drugs or improperly using prescription drugs

Viewing pornography

Engaging in inappropriate sexual relationships such as pre-marital sex and homosexuality

Being involved in any illegal activity that leads to arrest or involvement of law enforcement officials.

Promotion of any of the above behaviors on any social media platform.

The TKA behavior expectations listed in this handbook are not intended to be all inclusive. The administration reserves the right to address and respond to student misbehavior not specifically stated in the policy handbook. Attendance at The King’s Academy should be viewed as a privilege and not a right. Parent and student support for the school’s expectations and the decisions of the faculty and administration is expected. Any dispute or disagreement should be settled by following the Matthew 18 policy as adopted by the school and agreed upon by TKA families.

Detentions and School Suspensions

In-School Suspension (ISS)

- A suspension is counted as one event even though it can be for more than one day.

- A student may be placed on Out of School Suspension (OSS) for future violations of school policy and student expectations.
- Three ISS and OSS suspensions combined during a student's tenure in ES will result in an expulsion hearing.
- Three ISS and OSS suspensions combined during a student's tenure in MS/HS at TKA will result in an expulsion hearing.
- TKA Discovery students serving ISS suspension(s) will still attend therapy sessions.

Expulsion Hearing

The student and one or more of their parents will meet with a panel comprised of TKA teachers and staff to review the discipline track record of the student. The hearing may include the following:

1. Prayer
2. A reminder of previous policy violations and an opportunity to respond to their past behavior and express their repentance and support of school policy going forward
3. An opportunity for parents to ask questions, share their thoughts, and pledge their support for both the student and the school.
4. An opportunity for panel members to ask questions and share concerns.

Following the hearing, the student will be placed on administrative leave for the remainder of the day or additional days (not to exceed three days) until the panel renders a decision. The parents will be notified of the decision by a phone call.

1. The student may be expelled from TKA for the remainder of the school year.
2. The student may be granted the privilege to return to TKA but will be placed on a behavior probation status. This probation will be placed in writing with clear expectations and consequences and will be signed by the student, parent, and school administrator. Violation of the probation agreement may lead to expulsion without a future hearing.

Communication

- Special meetings for parent/guardian communication are scheduled throughout the year, and parents/guardians are asked to attend these meetings to stay abreast of school information.
- Parents should check emails daily. Email is the primary form of communication.
- Regular forms of communication include the *Lion's Share*, the TKA website, and Renweb, the on-line grade reporting program.
- The Elementary School Weekly Sheet, which is unique to each grade, includes learning goals for the week, weekly spelling and vocabulary words, upcoming classroom events, and dates of tests, reports, and special projects.
- Parents/Guardians are encouraged to contact the teacher if necessary; however, during school hours, teachers need to give their full attention to the students. If a parent/guardian desires a conference with a teacher, s/he may contact the school office or may contact the teacher through email to schedule the conference.
- One or more days are set aside on the school calendar especially for Parent/Teacher Conferences, and parents are encouraged to attend.
- A student's academic progress is communicated through Progress Reports and Report Cards, which are emailed to parents throughout each term (every two weeks for grades 7 – 12 and mid quarter for grades 1 – 6).

- Specific lines of communications have been established which follow Scripture (Matthew 18). If parents/guardians have a concern or problem, they should first communicate directly to the staff person involved before involving other parties. If the matter is not resolved, then the parent/guardian is asked to contact the Head of School as soon as possible. If the matter remains unresolved, the parent/guardian may appeal to the TKA Board of Trustees in writing. When members of the TKA family resolve to discuss issues/concerns only with those directly involved, Satan is thwarted in his attempt to create division, gossip, and miscommunication, and an atmosphere of peace and unity can prevail.

Student Messages

- Classes cannot be interrupted for student messages, please limit this to emergencies only.
- Forgotten lunches, books, etc. should be taken to office.

Conflict of Interest

- As a ministry initiated and sustained by God, the school has a mandate to conduct all its affairs decently and above reproach in the sight of both God and man. That accountability includes a commitment to operate with the highest level of integrity and to avoid conflicts of interest.
- As a non-profit, tax-exempt entity, the school depends on charitable contributions from the public. Maintenance of its tax-exempt status is important both for its continued financial stability and for the receipt of contributions and public support. Therefore, the IRS and state corporate and tax officials view the operations of the school as a public trust, accountable to both governmental authorities and members of the public.
- Among the school and its board, administration, staff and volunteers who influence the use of any school-related funds, there exists a fiduciary duty, which carries with it a broad and unbending duty of loyalty. The board, officers, management employees and volunteers are responsible for administering the affairs of the school honestly and prudently, and for exercising their best care, skill, and judgment for the sole benefit of the school. Those persons shall exercise the utmost good faith in all transactions involved in their duties, and they shall not use their positions with the school or knowledge gained thereby for their personal benefit. The interests of the school must have priority, and all purchases of goods and services must be affected on a basis that secures for the school full competitive advantages as to product, service, and price.
- Disclosure should be made to the Head of School in writing (or if he/she is the one with the conflict, then to the board chair), who shall bring these matters to the attention of the board.
- The board shall then determine whether a conflict exists and is material, and if so, whether the contemplated transaction may be authorized as just, fair, and reasonable as to the school.
- The decisions on these matters are the sole discretion of the board. The board's first concern is the welfare of the school and the advancement of its purposes.

Campus Safety

- All TKA students in grades 7-12 grade will be issued a card to access campus buildings with card readers.
- Students will be assigned and given a card through the front office, during registration, or through a designated teacher or staff member.
- Student cards will be programmed for use from 7:45 am – 3:15 pm on school days.
- Students who lose or fail to return their card at that of the year will be charged 115% of the replacement cost of the card. This fee will be added to the parent's account.
- Students returning to TKA the following year will keep their cards. If they lose their card, a fee of 115% of the replacement cost will be charged to their account for a new card.
- Students NOT returning the following year will return their card or be charged 115% of the replacement cost of the card on their account.
- Students are not permitted to assist someone outside the TKA community in entering a building. All guests and vendors must report to the school office before entering other campus buildings.
- Students may not exchange their card with another student.
- In an effort to further promote campus security, students should visibly display their card while on campus.

Enrollment Standards

The Covenant Relationship Between the TKA Faculty and Staff and TKA Parents

TKA exists to glorify God in a covenant relationship with Christian families to provide a Christ-centered, comprehensive education. The idea of a covenant relationship is that teachers and staff partner with parents and families as we move in the same direction. The authority of the parents/guardians, in conjunction with the teaching of the church, enables TKA to come alongside and support the spiritual training of the child.

The King's Academy believes God has given responsibility for training children to their parents as part of His rightly designed family structure. Families wishing to enroll their children at TKA must desire an educational program governed by the truths and principles of God's Word. This desire should be evidenced by a testimony in word and lifestyle (from at least one parent/guardian) that they have accepted Christ as personal Savior. Additionally, at least one parent/guardian must commit to regularly participating in a local church with their child.

In other words, the mission of TKA cannot be fully accomplished without a robust partnership between family, church, and school. Evidence of this partnership begins with at least one parent/guardian's articulation of allegiance to Christ and active engagement in a local church community.

**If you are not currently a part of a local church or are new to the area, members of the TKA community are excited to assist you in finding a church home. As a ministry in partnership with Trinity Evangelical Presbyterian Church, we would be enthusiastic about connecting you there. If another church would be a better fit, we are happy to assist as we are able. Please note that TKA is a non-denominational school.*

Admission Criteria

Parents and Guardians under an official custody court order will provide the admissions office with a copy of the document to provide guidance to school personnel in understanding their legal relationship with the student and the rights of the parents and guardians. The school will operate under the most recent court order provided by the parent or guardian who is responsible to inform the school of any subsequent changes in the status of the student with their parent or guardian.

TKA will place the court order in the student's file and inform members of the faculty and staff with pertinent information as necessary to fulfill the expectations of the court order.

Admission Criteria – Student

- The King's Academy admits students of any race, color, nationality, gender, or ethnic origin to all the rights, privileges, programs, policies, and activities generally accorded and made available to the students at the school. - Kindergarten applicants should be five years old by September 1st unless special approval is granted by the Head of School.
- First grade students must be six years old by September 1st unless special approval is granted by the Head of School.

Admission Criteria – Parent/Guardian

Acceptance Process

- After open registration begins, applications are accepted online on a first-come, first-served basis through RenWeb.

- The parent/guardian will be notified by email upon approval or denial of admission. The decision will be based on the total evaluation of the student as well as TKA's ability to benefit the student.

New Student Application Process

- Application must be made and must be accompanied by the Application Fee. This fee is non-refundable and non-transferable.

Along with the application, the parent/guardian must include a copy of the student's report card, standardized test scores, and special testing.

- All students applying for kindergarten and 1st grade will be given a readiness test.
- Students will be permitted to enter kindergarten or 1st grade based on Readiness Test results.

Financial Aid

- Financial aid is dependent on the availability of scholarship funds and will be distributed to families in need per the Biblical principles from James 1:27. Consideration will be given to families with unusual medical expenses, loss of job, to single parent households and other situations causing extraordinary financial burdens. Families

with four or more children will also be given consideration. When considering the distribution of scholarship funds, The King's Academy will adhere to the following guidelines:

- Financial aid is available to full-time students only.
- Applications for financial assistance will not be considered until all requested information has been submitted.
- The application deadline will be posted on the website.
- Awards are determined in April of each year.
- In cases where the applicant is divorced, normally the assets of both parents will be considered in the Scholarship Committee's review if parents have joint custody. If the custodial parent has remarried, normally the assets of the step-parent will be included in the Committee's review. If someone else is financially responsible for the student, that person should complete the aid form and explain his/her relationship to the student.
- Parents are expected to pay more toward their children's tuition if their financial situation improves during the year so that other families may be helped.
- If the student withdraws from the school during the year, the Scholarship Fund shall retain all unused portions of the aid.
- Financial aid is not automatically renewable for a new school year. Families must reapply for aid for each school year.
- The Scholarship Committee will keep the information provided by the parent (or custodian) in strict confidentiality.

Re-Enrollment Acceptance Process

- If there is a concern about a student's academics or behavior, he or she may be denied re-enrollment or placed on probation.
- The parent/guardian will be notified by letter of the denial or probation.
- If the student has been accepted and there is an outstanding balance on the fifteenth of May, the parent will be notified in writing and by phone. If there is a balance due on the last day of the school year, the student's name will not be placed on the class list until the account is paid in full.
- If a parent/guardian or immediate family member of a current student is convicted of a violent crime or a crime of abuse, the student's enrollment status may be reviewed by the Board of Trustees.

Financial Standards

- A Financial Agreement Form is signed by each parent/guardian at the time of application and is the financial agreement between the parent/guardian and the Academy.
- The Financial Agreement Form clearly explains TKA's policies concerning fee and tuition schedules, fee payments, tuition payments, non-refundable and non-transferable monies, late fees, and returned checks.
- Parents/Guardians must be familiar with the financial policies; their signature on the agreement form indicates to the TKA Board of Trustees and staff that the parent/guardian has been informed and agrees to abide by the policies.

Fundraising

All fundraisers need prior approval by the Director of Institutional Advancement. Please send any inquiries concerning fundraisers to JHoover@TKAFlorence.com.

Health Room-School Nurse Information

* Please keep sick children home from school. Students may return to school when they have been free of fever, vomiting, and/or diarrhea for 24 hours without medication. Good handwashing is the very best way to keep your child well.

* Send a refillable water bottle with your child every day. Dehydration causes school day headaches and stomachaches.

* If your child visits the health room for a minor problem parents will receive an email from the school nurse including notes from their visit.

* If your child visits the health room for something requiring parent immediate attention the school nurse will notify the parent.

* If your child needs medication during the school day please let the school nurse know. All medication should come through the nurse/health room.

* Prescription medication should be brought into the health room by an adult in the originally labeled container. The nurse will help you complete the necessary paperwork for the medication to be given at school. The TKA Health Room is stocked with Tylenol (Adult and Children's), Ibuprofen (Adult and Children's), Tums, Antibiotic ointment, Benadryl cream/spray, Afterbite Ointment, Vaseline and Calamine Lotion/Spray. If your child needs a different type of over-the-counter medication it should be brought into the health room by an adult and the parent form will need to be signed.

* TKA participates in an Epi-Pens 4 schools' program to provide Epi-pens for undiagnosed allergic emergencies. The school nurse also keeps Benadryl tablets and liquid in the health room for emergencies.

* The school nurse will make classroom visits to students in grades 3K-3rd grade. Students in grades 4-12 will be sent to the health room as necessary.

* The school nurse is here to serve you. Please communicate any needs you have. Also, it is very important to inform the school nurse when your child is sick with contagious illnesses such as Covid/flu/ strep throat/ stomach virus. Leadership Standards

The following are considered for a student to serve in leadership:

- Christian witness
- Leadership gifts
- Academic standing
- Faculty/staff recommendations

Spiritual Standards

Bible Training

- TKA uses Scripture as the foundation for all Bible classes, which each follow a Bible curriculum.
- Students attending TKA come from over 50 different local churches. The staff also represent many different denominations.
- If a question arises that reflects a denominational difference, the staff may share various viewpoints in an unbiased manner and then encourage students to talk with their parents/guardians or pastors.

Chapels

- Scripture is the foundation of all TKA chapels, which are held once a week for all students.
- The purpose of the chapels is for worship and spiritual growth.
- Students are encouraged to worship in the manner with which they are comfortable.
- Parents/Guardians are always welcome at chapels.
- Teachers and students will be asked to share periodically during chapel time.

Church Attendance

- TKA recognizes that parents/guardians have a responsibility to train their child(ren) in the ways of the Lord. Because of this, TKA parents/guardians have chosen to place their child(ren) in a Christian school, which teaches a Biblical worldview through academic studies.
- TKA does not intend to take the place of the local church.
- Regular church attendance with at least one parent/guardian is expected for all TKA students. The authority of the parents/guardians and the teaching of the church enable TKA to come alongside and support the spiritual training of the child.

Ministry Training

- In fulfilling the mission of TKA, students are trained to reach out to others in the name of our Lord Jesus Christ. From 4K through twelfth grade, TKA offers ministry opportunities, which are a vital part of a student's training and which provide opportunities for growth.
- Students begin training in Elementary School through classroom ministries, designed to recognize the needs of others. Also, in Elementary School, students have the opportunity to participate in a praise and worship ministry group.
- In Middle School and High School, they have the opportunity to minister to the local community through Team Ministries.
- High School students may also participate in mission trips, local outreaches, ministry to handicapped children and athletic/class/club-sponsored ministries.
- Training in ministry is not considered "extra-curricular" at TKA but is the core of the academic curriculum and the foundation of TKA's purpose.

Prayer/Quiet Time

- Prayer is the foundation for TKA and is an important part of every school day.
- Prayer throughout the day is encouraged whenever needed.
- Prayer time should be personal and meaningful.
- TKA students will be encouraged to develop the habit of meeting with God each day in Bible reading, meditation and prayer. Students will be encouraged to set aside a time each day to spend with the Lord.

Scripture Memorization

- Because Scripture teaches us to hide God's Word in our hearts that we might not sin against Him, Scripture memorization is an important aspect of the training at TKA.
- Each week all Bible teachers will review the Scripture assigned and will hold the students accountable for memorization of assigned Scripture. The program features key passages that can become the foundation for a lifetime of Scripture memory.

Technology Standards

The purpose of technology at TKA is to enhance the Christ-centered learning environment by providing age-appropriate tools and opportunities that will help students explore, create, collaborate and share. Beyond the classroom, we want to teach students to be wise and faithful as they engage with technology throughout their lives. The resources available through the TKA system are to be used for educational purposes only. All users will be held accountable for maintaining the integrity of the equipment and systems, the safety of individual users, and the good reputation of the school. Information Technology (IT) use at TKA is a privilege—not a right.

Copyright and Plagiarism

The United States Copyright Laws must be followed. Users may not illegally copy text, music, software, pictures, videos or graphics from any Internet, online or software source. The "Fair Use" clause gives educators and students

some leniency for using certain materials for academic purposes only. Teachers will provide instruction about the legalities and use of this clause when necessary and appropriate. To avoid allegations of plagiarism, users should always request permission from the creator/owner of material or sites and should site the Internet, online or software source where they obtained information or materials.

Students are expected to:

- Protect login and password information. No sharing or exchange of this information with anyone else. Anonymity is not permitted, nor is representing another at log-in or in correspondence. Violations of system security must be reported, as well as abuses of the system.
- Not change settings, degrade programs, or cause system disruption
- Use school computers and other digital devices for academic work only
- Ensure only appropriate content is contained on digital devices (including but not limited to: flash drives, cameras, iPads, iPods, mp3 players, Nooks, Kindles, etc.)
- Alert a school official if unacceptable material, apps, online resources, or Internet sites are inadvertently accessed or if a system problem is encountered. All users have a duty to maintain system integrity
- Be courteous and kind in your comments and language
- Respect the privacy of others' emails and files; if an item is found open, close it
- Comply with all the guidelines outlined in the *Technology Use and Standards*. If you are unsure about the appropriate use of technology, ask the IT Coordinator, a teacher, or administrator.

Privacy

All digital accounts, files, and storage come under the direction of TKA. Therefore, IT personnel, teachers and administrators may review files and communications and monitor online activities. Files stored on TKA devices will be considered public, not private.

Social Media

While social networking sites such as *Facebook, Snapchat, Instagram*, etc. are not intrinsically bad, because of the potential for inappropriate content and the significant amount of bandwidth consumed by their use, TKA does not permit users to visit these sites while at school. All personal Internet use should be done from home.

1. No social media accounts should directly link to the TKA website.
2. All media accounts should be post only and should not follow any individual student. This rule is to keep the student safe as well as the account manager. If any account is currently following a student, please unfollow.
3. All account creators/managers should alert Jennifer Hoover, Director of Institutional Advancement, of any media account created associated with TKA. We need to have access to the account manager should a conflict arise.

Unacceptable Use

The following uses of the school system, digital devices, email, apps, and Internet/online resources or accounts are considered unacceptable (this is not an exhaustive list).

Users will not:

- Access, review, upload, download, store, print, post, distribute, transmit, or receive abusive profane, lewd, vulgar, rude, inflammatory, threatening, disrespectful, or sexually explicit language, images or other media that are inappropriate to the educational setting or disruptive to the educational process or that could cause damage or danger of disruption or that advocate violence or discrimination toward other people (hate literature) or that may constitute harassment.
- Post false or defamatory information about a person or organization, or to harass another person, or to engage in personal attacks, including bullying, prejudicial or discriminatory attacks
- Engage in any illegal act to violate any local, state, or federal statute or law
- Access chat rooms, games, messaging, blogs, and personal email except for classroom activities under the direct supervision of school personnel
- Use the school system or digital devices for unauthorized commercial purposes or for financial gain, or to purchase goods and services without permission of TKA personnel

TKA expects all persons utilizing the technology and systems on campus to exercise the highest level of respect for themselves, others, equipment/systems, and copyright laws. Failure to comply with the written policy and to use the systems of technologies at the school in a respectful manner will result in the loss of use of the system and/or additional consequences as stated in the TKA Policy Manual and/or Family Handbook. As in the areas of academics, fine arts, athletics, and extra curricula, TKA seeks to honor God in its technology usage. System users are expected to use the technology provided appropriately, wisely, educationally, ethically, and honorably. ("Thanks to Rosslyn Academy, Kenya, TechnoKids Inc., and FSD1 for sharing their technology guidelines and policies for our reference in the formation of TKA's technology standards.")

- The Technology Acceptable Use Form must be read and signed by each student and his/her parent/guardian prior to accessing computers on campus.
- The use of computers is a privilege, not a right.
- Inappropriate use will result in disciplinary action by Administration, which may include canceling those privileges.
- Use of electronic communication at school must be in support of education and research consistent with the educational objectives of The King's Academy. Students accessing email or personal networking sites during school hours may result in disciplinary action. Any student wishing to use a recording device in a classroom must complete the Permission to Record Form and turn in to the office. Permission to Record Form requires the signature of both the student and the teacher.

SECTION II PROGRAMS

Accelerated Reader

- TKA encourages students to read as much as possible. Elementary School students participate in the Accelerated Reader Program, which gives students the opportunity to read and test their comprehension.
- Students are tested at the beginning of the year and are encouraged to read books from the TKA library in their reading range.
- Class goals are set at each grade level, and students receive rewards for their reading throughout the school year.

Athletics

- The King's Academy has a Christian athletic program where Jesus Christ is pre-eminent in all relationships and where His Word is the standard.
- The athletic program is an extension of the classroom, and TKA athletes are encouraged to bring glory to God through their athletic endeavors. TKA athletics promote athletic excellence with Christ-like character.
- Our goal is to provide athletic opportunities for every student who desires to participate although Middle School, JV, and Varsity teams may have try-outs to aid in selecting teams.
- Team and individual sport opportunities are designed to teach skills, to give athletes a team experience, to build self-esteem, and to strengthen an athlete's ability to compete against another individual or team.

SECTION III SCHOOL POLICIES AND PROCEDURES

School Calendar and School closings

Calendar

- The TKA yearly calendar is available on the TKA website – www.tkaflorence.com and RenWeb. The TKA calendar is the most up-to-date means of communicating information at TKA. Therefore, any changes in school activities should be immediately communicated to Office Manager.

School Closing

- Decisions regarding school closing, early dismissals, etc. due to weather will be announced by email, text message, and school automated phone message. This call will be made by 5:30 AM.
- Typically, TKA will close when the public schools are closed unless those closings are due to shelter needs.
- If a closing is deemed necessary after school is already in session, an e-mail and text message will be sent from the school. Additionally, families will be notified through the automatic calling program.
- Parents should refrain from calling the school to ascertain school closing information.

Field Trips

- Field trips help enrich a student's learning when they are correlated with classroom instruction.
- Parents/Guardians will be notified of destinations, dates, and times of all field trips.
- Field trip expenses may be covered by fees and tuition with the exception of meals, snacks, and overnight trips.
- At Registration, parents give permission for their children to participate on Team Ministry. Parents/Guardians will need to sign permission forms for all other field trips as they occur during the year.
- Parents/Guardians are encouraged to chaperone on field trips and are needed to help supervise the students. TKA asks that chaperones follow these guidelines:
 - Parents/Guardians who desire to chaperone must have a Classroom Parent Form on file.
 - Parents/Guardians are asked not to bring younger siblings so that their full attention can be given to supervision.
 - Vehicles used to transport students must have a seat belt for each student.
 - Students may not be double belted in vehicles.
 - Children under the age of six (6) must be secured in a belt positioning booster seat. Any child under the age of six (6) who weighs less than forty (40) pounds must be in a forward-facing child safety seat. The child's parent provides booster or child seats. Children under the age of 12 should not be placed in the front seat of a car with an air bag that is activated.
- Use of church or rental vans for field trips must meet specific safety requirements. No church or rental van will be used without written approval of Head of School.
- While chaperoning on field trips, parents/guardians are asked to refrain from the use of tobacco products, including alternative nicotine products, such as electronic cigarettes or vapor products, and the consumption of alcohol.
- Drivers are asked to play only Christian music while students are in vehicle.
- TKA's policy is generally that only movies with a G or PG rating can be shown to Elementary School students and a PG rating to Middle and High School students.
- If the TKA activity bus is used, all students should ride the bus unless otherwise approved by TKA Staff. The TKA activity bus does not have seatbelts.

Holidays/Birthday Parties

- TKA's celebration of Easter and Christmas emphasizes the birth, death, and resurrection of Jesus Christ rather than secular icons. Thanksgiving, St. Patrick's Day, and St. Valentine's Day are also celebrated in light of their religious significance.
- TKA does not observe Halloween.

- We realize Christian families have different convictions about how to celebrate these holidays; therefore, if questions arise, students are referred to their parents/guardians.
- If parents/guardians desire to bring a birthday snack to school to celebrate a student's birthday, this should be pre-arranged with the teacher.
- Parents/Guardians may purchase a library book in honor of their child's birthday and donate it to the library.
- Students are asked not to bring birthday invitations to school to distribute **unless the student is inviting the entire class or grade**, and then they may hand out invitations at the end of the school day.

School Records/Cumulative Files:

- Parents should contact the school office if there is any change in the information that appears on the student's application, including phone numbers, addresses, church affiliation, or a change in a family situation.
- Cumulative files will be maintained in the office for each student. The files will be stored in a fire-safe cabinet that will be locked when not in use.
- Originals are not released to parents/guardians, but copies of the files will be made on request. Information in the files will be shared with parents/guardians in the presence of the Director of College Counseling after the parent/guardian has made an appointment to have the records reviewed.
- Original files will be released to schools requesting records if the student has transferred and is enrolled. Parents/Guardians should expect a five work-day period before copies of records are released by TKA.
- The King's Academy will be responsible for keeping ALL student permanent records for seven years following the student's graduation/withdrawal from the school. For TKA graduates, transcripts will be kept as a hard copy indefinitely. After the seventh year, transcripts, and ACT/SAT scores for TKA graduates will be electronically stored in two different locations. If a student withdraws from The King's Academy prior to graduation, their grades, attendance, and standardized testing scores will be electronically stored in two different locations after the seventh year.
- The student's account must be paid in full before grades, transcripts or copies of permanent records are released.

Transcripts

- TKA will send transcripts without charge to colleges indicated by juniors and seniors.
- Students will be charged for all transcripts over three copies.
- Transcripts cannot be processed the same day as requested.
- Parents and students should allow one business week for the transcripts to be processed after the request is made.
- All accounts must be paid in full for transcripts to be released.

Search Policies

- To maintain order and discipline on school property and at school-related events and to protect the safety and welfare of students and school personnel, TKA has the right to perform unannounced searches and to seize contraband, such as illegal substances and objects which constitute a threat to any person(s). - TKA staff members have the right to ask students to empty their pockets to determine whether they pose a danger to themselves and/or others.
- The Head of School and authorized staff members may search a student's purse, backpack, gym bag or other personal property; student lockers, desks, or other school property; or student automobiles which are on school property.
- TKA makes no apologies for going to any extent deemed necessary to safeguard TKA students at school. The general culture surrounding children today is filled with potential dangers on spiritual, emotional, and physical

levels. Those dangers are a persistent threat to homes, churches, workplaces, and schools. TKA's stance is to be proactive, not reactive.

Sign-out Policies

- All students must be signed out through the office before leaving campus.
- Staff should not release a student unless there is a signed note or a call from the office indicating that the student has been signed out.
- If a parent/guardian wishes to restrict his/her student from leaving school with a particular person(s), the parent/guardian must notify the school each year in writing by identifying the name of the person with whom the student may not leave school grounds.
- If an Elementary School student must check out during the day, the parent/guardian should send a note informing the teacher. When the parent/guardian or adult designee arrives at school, s/he must sign out the student from the office. The office will contact the teacher to let them know that the child has permission to leave school.
- Middle and High School students may be signed out if a parent/guardian calls the school office prior to the sign out to verify that the student may leave campus.
- Elementary, Middle and High School students are not allowed to sign out for lunch unless a parent/guardian, college-age sibling or adult designee comes to the office and signs out the student. For extenuating circumstances when in-person sign outs are not possible, an administrator may be contacted by note or phone call in advance and permission to leave may be granted for students who can drive themselves. This special permission will be granted at an administrator's discretion.
- Seniors can leave for lunch with a parent/guardian Sign-out Permission Form.

Matthew 18 Principle for Solving School Problems

This article originally appeared as an internal document for Association of Christian Schools International and is reprinted by permission by Dr. Paul A. Kienel, former president of Association of Christian Schools International.

The “me generation” philosophy of “I’ll do it my way” sometimes spills over into the Christian community. For example, when differences develop between individuals, some Christians take matters into their “own hands” and bypass the biblical procedure of solving problems. A Christian school is made up of people—parents, administrators, teachers, and students. Like any other collection of earthly mortals, the people associated with a Christian school have the potential for misunderstanding, disagreement, and even wrongdoing. Nevertheless, it is God’s will that we live and work together in harmony. Jesus said, “A new commandment I give unto you, that ye love one another; as I have loved you, that ye also love one another. By this shall all men know that ye are my disciples, if ye have love one to another” (John 13:34-35, KJV).

Due to our human nature, we may at times irritate others, resulting in misunderstandings or strong disagreements. In Matthew 18:15-17, KJV, Jesus gives His formula for solving person-to-person problems. I call it “the Matthew 18 principle” for solving school problems. The following are the words of Jesus:

Moreover, if thy brother shall trespass against thee, go and tell him his fault between thee and him alone; if he shall hear thee, thou hast gained thy brother. But if he will not hear thee, then take with thee one or two more, that in the mouth of two or three witnesses every word may be established. And if he shall neglect to hear them, tell it unto the church; but if he neglect to hear the church, let him be unto thee as an heathen man and a tax collector.

There are several clear principles that Jesus taught in solving people-to-people problems:

One: Keep the matter confidential. The very pattern of sharing the problem only with those directly involved establishes the principle of confidentiality. The Bible has much to say about those who gossip or malign others with their words. “An hypocrite with his mouth destroyeth his neighbor; but through knowledge shall the just be delivered” (Proverbs 11:9, KJV).

Two: Keep the circle small. “If thy brother shall trespass against thee, go and tell him his fault between thee and him alone...” The first step and most often the only step needed in solving a person-to-person problem is for one of the two people involved to initiate face-to-face dialogue. Most problems are solved at the two-people level.

Three: Be straightforward. “Tell him his fault.” Jesus tells us to be forthright and to love honestly. Sometimes it is difficult to be straightforward and tell someone the very heart of the matter. But restoration and improvement can only come when the issues are lovingly, yet clearly, presented. The Scripture says “Faithful are the wounds of an friend” (Proverbs 27:6, KJV).

Four: Be forgiving. “If he shall hear thee, thou has gained thy brother.” This implies that once the matter is resolved, we should wholeheartedly forgive and restore the person whose fault has offended us. Galatians 6:1, KJV, reads “If a man be overtaken in a fault, ye who are spiritual restore such an one in the spirit of meekness, considering thyself, lest thou also be tempted.”

As I mentioned earlier, most school problems are resolved at the two-people level. Forgiveness and restoration is the normal happy conclusion. But what is the Matthew 18 principle if the individual will not “hear” you, or openly disagrees with your version of the problem? Let’s say you are a parent of a student in a Christian school. You are unhappy with a teacher because you believe your child is being treated unfairly in the classroom. The two of you have met and talked together and you are not

satisfied with the outcome of your discussion. What is the next step in the Matthew 18 principle?

Five: The parent and teacher should agree to share the matter with the school principal. At this stage the counsel of Jesus would be “Take with thee one or two more, that in the mouth of two or three witnesses every word may be established.” Both parent and teacher should rehearse their version of the issue or issues with the school’s administration. Each person should come to the meeting in a spirit of prayer and humility, willing to submit to the Lord’s will in the matter and also willing to submit to reproof and correction if needed. Those of us who bear the name of Christ should joyfully conform to the will of Christ. An open and honest discussion among people who are sensitive to godly principles will most often reach an amiable solution.

I estimate that 80% of school problems are solved at the two-people level. Another 18% of school problems are solved at the three- and four-people level which includes the school’s administration. This leaves 2% to be resolved at the level of the school board. The board represents the church or church community. Let’s say a problem now exists and is not solvable by the normal channels of communication and established school policy. What is the next step in the Matthew 18 principle?

Six: The school principal should explain the problem to the chairman of the school board. The chairman will decide how the matter should be presented to the board. Depending on the complexity of the problem, it may be appropriate for the board chairman to request that all persons involved be present at a school board meeting. The goal of such a high-level meeting is 1) a clear understanding of the problem; 2) solving the problem; 3) reproof and correction if necessary; and 4) forgiveness and wholehearted restoration of those who have made amends.

In summary, the Matthew 18 principle requires that parents talk to teachers about student problems before they talk to administrators. If unresolved at the two-people level, the matter is prayerfully and in an orderly fashion moved upward in the school organizational structure. This is the Lord’s way of solving people-to-people problems.

A Christian school is a ministry in Christ’s name. Everything that is done in the context of the school must be done Christ’s way. The world’s methods of solving school problems is inappropriate. The idea of suing the school or persons in the school is a secular idea that has no place in the Lord’s work. The Bible is clear on this. “Dare any of you, having a matter against another, go to law before the unjust, and not before the saints?” (1 Corinthians 6:1, KJV).

Satan would like to destroy the normal flow of harmony and good fellowship in Christian school education. That is not possible if all of us follow the Matthew 18 principle of solving school

problems.
