CEEB 410761

The King's Academy is a 4K-12th program that promotes each student's spiritual, academic, social, moral and physical development through a college preparatory program grounded in Biblical teaching. A distinctive of TKA is to individually mentor each student according to their unique situation, strengths, weaknesses, and calling. We do this through the perspective of the Christian world and life view with the goal for them to become Christ followers who know, love and serve God and others. Our goal is to fully equip our students to glorify God through exercising their gifts and talents upon graduating from TKA.
