

Dear Parents of Rising 2nd & 3rd Grade Students,

As a school, we have seen the benefits of our summer reading assignments. Statistics tell us how very important it is for students to keep up their reading skills over the summer. It is our goal at TKA for our students to come back refreshed from summer break but also on track and ready to jump back into learning. Students are asked to read at least 10 books over the summer. We do ask that students choose books that they have not read before. After reading each book, the student should write down the title and author on the attached reading log. The completed reading log should be placed in a folder and turned in on the first day of school. A parent signature will also be required (simply sign at the bottom of the log). We will count 10 books as a 100 in reading for the first nine weeks of the next school year. Any student who reads an additional 10 books will also receive an all-day homework pass. Please encourage your child to read as much as possible over this summer. We would love to see 100% participation. Happy Reading!

Mrs. Randall

Ms. Wallace
