Introduction

Lion Nation,

I am extremely blessed to have been a part of the best school family anywhere for the past nine years. As I begin my tenth year at TKA and fourth as AD, I am most grateful for the people that I come into contact with everyday that help make my job the best job in the world.

Parents, we need and want you to get involved in our athletic programs. I ask that you please help to provide staffing in our concession and gate collection. This is imperative to helping sustain our athletic programs. The expectation is that you sign up for one concession and gate for each sport that your child participates in.

Thank you for your unwavering support and loyalty to TKA Athletics. It is my belief that we have the best students, parents, and fans anywhere! Thank you for your support that you show each week through your serving, through your giving and through your attendance and service. I believe that 2023-24 is going to be a great year! Thank you for showing your Lion Pride every week!

HEAD UP!

History

The King's Academy was founded as an educational institution in 1990. Shortly after, in 1995, the first athletic team, Co-ed Soccer, was established. From the early formative days to the 2023/24 school year, the Athletic Program has experienced steady growth. This year, TKA will offer 13 different sports and will produce 37 different teams. For the past several years, 80% of our middle and high school students have participated in at least one sport while attending TKA.

TKA has seen state champions crowned in Boy's Soccer on three occasions and in Sporting Clays and Skeet on ten different occasions. In addition to the state championships, the Sporting Clays team has also claimed 4 National Championships.

Purpose and Goal of Athletics at TKA

The purpose of athletics at The King's Academy is to bring glory to God through striving for excellence in competition. TKA's outstanding program offers students the opportunity to learn the skills of a sport, develop teamwork, and exhibit sportsmanship at all times. The objective of the TKA Athletic Department is to produce student-athletes who:

1. Exhibit the character and transforming power of Christ as they mature into responsible and productive citizens (Matt. 5:16 and Gal. 5:22-23);
2. Work to fully advance their knowledge, skills, and tactics as athletes (Col 3:17 and II Tim. 2:5);
3. Contribute to a wholesome and God-honoring atmosphere of safety, fairness, ethics, respect, and fellowship at every TKA athletic event (I Cor. 10:31).

Priorities at Different Levels of Play

All TKA Lion teams strive to teach the same life lessons and provide a meaningful experience for all of our players. All of our teams seek the same four basic goals, and all are important. However, the four goals are prioritized differently based on the competitive level of the team within the overall program.

*At the **Elementary** Level, the priorities are:

Demonstrate. L.I.O.N. P.R.I.D.E.

Loyalty. Integrity. One Mind. Nurturing. Pledge. Respect. Involvement.

Discipline. Excellence.

- Participation. The A-team program is for our elementary students who wish to participate in soccer and basketball. Equal playing time is not guaranteed, but we try to play every player in every game at this level.
- Individual Development for the "Next Level." Although our A-teams are not primarily concerned with being a "feeder" for the JV and varsity squads, the development of good habits and sound fundamentals that will be of benefit to the higher-level teams are stressed.

- Competitive Excellence. Every team and every team member wants to compete well and have a chance to win. We always make an effort to be as competitive as possible in every contest

*At the **Middle School** Level, the priorities are:

Demonstrate. L.I.O.N. P.R.I.D.E.

Loyalty. Integrity. One Mind. Nurturing. Pledge. Respect. Involvement.

Discipline. Excellence.

- Participation. We do not guarantee equal playing time, but we try to play every player in every game at this level if the student-athlete meets the expectations of coaches, such as attending and participating in practice.
- Individual Development for the “Next Level.” Although Middle School athletics is not primarily concerned with being a “feeder” for the JV and varsity squads, our program stresses the development of good habits and sound fundamentals which will be of benefit to the higher-level teams.
- Competitive Excellence. Every team and every team member wants to compete well and have a chance to win. We always make an effort to be as competitive as possible in every contest.

*At the **Junior Varsity** Level, the priorities are:

Demonstrate. L.I.O.N. P.R.I.D.E.

Loyalty. Integrity. One Mind. Nurturing. Pledge. Respect. Involvement.

Discipline. Excellence.

- Individual Development for the “Next Level.” The JV program exists to “feed” the varsity team. We would rather develop great varsity players and teams for next year than have an undefeated JV season this year.
- Participation. We recognize that for many of our student-athletes, this could be their last experience in a particular sport. We also know that athletes develop physically at different rates. A high priority is placed on giving all team members the opportunity to play and develop.
- Competitive Excellence. This is the level where more separation begins to take place between starters and role players, and those who will not continue past the JV level.

SKILL DEVELOPMENT

Play win

*At the **Varsity** Level, the priorities are:

Demonstrate. L.I.O.N. P.R.I.D.E.

Loyalty. Integrity. One Mind. Nurturing. Pledge. Respect. Involvement.

Discipline. Excellence.

- Competitive Excellence. At this level, our teams and players expect to compete at the highest level they can, even if it means that some players do not get to compete in every game.

- Participation. We also recognize that being a part of a varsity team is itself an outstanding experience. We want to maximize every player's opportunity to contribute within his or her own role on the team and to learn lessons and make memories that last a lifetime.

- Individual Development for the "Next Level." Although we are very proud of our Lions who have gone on to play sports at the college level and beyond, and will make every effort to help our student-athletes who seek that opportunity to be successful, the goals of the team transcend those of the individual, especially at the varsity level. 5

*Some of our "JV" teams include students in both the Middle and Upper Schools. Those teams will be philosophically run as "JV," but with appropriate care taken to respect the proper physical and emotional development of the athletes on the team.

**Some of our teams only offer a single level of play. On those teams, the prevailing philosophy of the team will be that of a "varsity" team, but the coaches may modify expectations for younger athletes. In some cases, a Middle School athlete may be able to compete at the varsity level. Coaches will be careful to consider the age and development of these athletes within the framework of varsity expectations.

LION PRIDE

Through athletics at TKA, the goal is to teach a system of Christ-centered values that will extend beyond the arena of athletics and into every area of the athletes' lives. The acronym "Lion Pride" helps our coaches and athletes remember what is most important.

L – Loyalty – to show faithfulness and devotion. As Christ followers, our first loyalty lies with Him. Our next loyalty is to be to our families, followed closely by loyalty to our school. We are all Lions!

I - Integrity – to do right no matter the outcome or the consequences. Said another way, integrity is how one acts when no one is watching.

O – One mind (Unity) – to work together to achieve a common goal is essential to success in athletics and in life. In other words, there is great value in sacrificing individual glory for the benefit of everyone involved: "Together we stand and divided we fall!"

N – Nurture – to care for and encourage the growth or development of the whole program. Each team should show support for, encourage, and serve one another. Older athletes should model Christian virtues and maturity to positively nurture the younger athletes.

P – Pledge (Commitment) –to be dedicated to the cause of TKA Athletics. We gauge our level of commitment by what it takes to stop us. Quitting is NEVER an option!

R – Respect – to show esteem and high regard to the coaches, opponents, officials, team mates, fans, and everyone that we encounter. Always strive to put others ahead of self.

I - Involvement - to be involved with or to participate in something. This involvement goes beyond casual activity to personal, spiritual and emotional associations with others.

D – Discipline – to learn to manage our bodies, our time, and our resources. Self-control, diligence, and persistence are all characteristics of discipline.

E – Excellence – to strive for excellence in everything we do! Excellence results as we put our other core values into practice. As we practice lives of character, the result is excellence!

TKA ATHLETIC ELIGIBILITY

- Students below the 9th grade must pass four (4) subjects each grading period/semester to maintain academic eligibility.
- A senior who has met or is meeting all requirements for graduation must pass four (4) one-credit courses each marking period/semester.
- Courses taken during the school year by the “**Home School**” method are not eligible for athletic eligibility determination. “Virtual school” or online courses used for athletic eligibility will be considered on a case by case basis and must receive prior approval by SCISA.

- A One Credit Course is a course taken for 36 weeks, one period each day for a minimum of 45 minutes. A course taken each day as above for 18 weeks would be a half credit which when combined with another half credit course would be the equivalent of a one credit course. A course taken for 36 weeks but only three, 45 minute periods each week would not be a one credit course. Note: A One Credit Course taken for 18 weeks shall meet for one period each day for a minimum of 90 minutes. Dual Credit Courses are treated as one half of a Carnegie unit.

- Core Courses: Those courses in English, Mathematics, Science, Social Studies, Computer Science (1), Fine Arts (1), and Foreign Language that are recommended by the Commission on Higher Education and are common to SCISA schools.

- Eligibility is to be declared on the fourth (4th) school day after the end of the marking period. - **If a student athlete earns a grade of F in any subject on any Report Card (not including a semester exam grade), he/she will be placed on *Athletic Suspension* beginning the third school day after the grading period ends. This same policy would apply to any student athlete who earns two D's in two different subjects during any quarter or semester.**

- The student athlete and parent/guardian will be notified the date the suspension begins.
- The student athlete and parent/guardian will be notified of the date the suspension ends.
- The student athlete **will be suspended from all athletic activities for a period of two weeks.**

If the offense takes place in practice, the coach will administer team discipline.
3. Zero Tolerance for Level III Offense, specifically relating to the use of alcohol, drugs, and tobacco.

All level three offenses will lead to automatic game suspensions and possible dismissal from the team. All Out of School Suspensions will result in a minimum of a one game suspension. A second Out of School Suspension may result in a student's suspension from athletics for the remainder of the school year. 4. A student athlete will serve a one game suspension upon the second In School Suspension. A third In School Suspension may possibly result in the student-athlete's dismissal from athletic participation for the remainder of the school year. 4. Athletes riding the bus to an athletic event will be expected to ride the bus home unless written permission is given for the student to ride home with another adult other than his/her own parent.
5. The school bus must be reserved through the athletic director. If the team's coach is driving the bus then a TKA staff member, a TKA parent or another adult approved by the athletic director must serve as a chaperone to/from the game. It is the coach's responsibility to ensure that a chaperone is present.
6. The AD reserves the right to make transportation decisions in unusual circumstances.
7. If the AD arranges for parents to drive to and from an athletic event:
 - a. Permission slips must be signed by each athlete's parent indicating that the athletes may ride with those drivers the AD appoints at the discretion of the HOS and AD.
 - b. Students must return home with the same AD-appointed drivers unless alternative travel arrangements have been approved by the athlete's parent(s) and communicated to the coach in writing (whether by written letter or text message to the coach) by the parent(s). NO phone calls will be accepted.
 - c. All drivers will be subject to a request for review of their driving record.
8. Due to the unique nature (i.e. transporting guns) of the Sporting Clays team the travel policy followed may be different, subject to the AD's approval.
